## **Performance on Learning Outcomes (LOs)**

| Learning<br>Outcomes | Description                                                                                                                                                                              | Average<br>Performance(%) |
|----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------|
| M401                 | Applies operations of numbers in daily life situations                                                                                                                                   | 74.18                     |
| M412                 | M412 Explores the area and perimeter of simple geometrical shapes (triangle, rectangle, square) in terms of given shape as a unit                                                        |                           |
| M418                 | Calculates time intervals/duration of familiar daily life events by using forward or backward counting/addition and subtraction                                                          | 86.56                     |
| M421                 | Represent the collected information in tables and bar graphs and draws inferences from these                                                                                             |                           |
| M501                 | M501 Reads and writes numbers bigger than 1000 being used in her/his surroundings                                                                                                        |                           |
| M504                 | Estimates sum, difference, product and quotient of numbers and verifies the same using different strategies like using standard algorithms or breaking a number and then using operation |                           |
| M505                 | Finds the number corresponding to part of a collection                                                                                                                                   | 64.48                     |
| M506                 | Identifies and forms equivalent fractions of a given fraction                                                                                                                            | 44.10                     |
| M508                 | Converts fractions into decimals and vice versa                                                                                                                                          | 73.54                     |
| M509                 | Classifies angles into right angle, acute angle, obtuse angle and represents the same by drawing and tracing                                                                             | 74.02                     |
| M512                 | Relates different commonly used larger and smaller units of length, weight and volume and converts larger units to smaller units and vice versa                                          | 85.45                     |
| M513                 | Estimates the volume of a solid body in known units.                                                                                                                                     | 54.87                     |
| M514                 | M514 Applies the four fundamental arithmetic operations in solving problems involving money, length, mass, capacity and time intervals                                                   |                           |
| M515                 | Identifies the pattern in triangular numbers and square number                                                                                                                           | 66.09                     |
| M516                 | Collects data related to various daily life situations, represents it in tabular form and as bar graphs and interprets it                                                                | 63.92                     |

## **Lowest Performing Learning Outcomes (LOs)**

- 1 Identifies and forms equivalent fractions of a given fraction (44.10)
- 2 Estimates the volume of a solid body in known units. (54.87)
- 3 Collects data related to various daily life situations, represents it in tabular form and as bar graphs and interprets it (63.92)
- 4 Finds the number corresponding to part of a collection (64.48)

**CSWN**:

5 - Identifies the pattern in triangular numbers and square number (66.09)
